

ANNOUNCEMENT

ECPU has completed the examination of 4 applications for the establishment and operation of private universities. As a result, the following three private universities have been licensed and have started their operation on October 1st, 2007:

- “EUC European University-Cyprus”
- “Frederick University”
- “University of Nicosia”

“Neapolis University” has been registered and is expected to become licensed and begin its operations during the academic year 2010-2011.

The following 3 tables show the Schools and Programmes of Study approved in each of the operating private universities in Cyprus:
